Exposure within the AOI		
	Unit of measurement	Total in AOI
Estimated population	Number of inhabitants	20
Settlements	No.	7
Transportation	Cart Track	110

Map Information

The Lieberoser Heide area, to the north of the city of Cottbus, in southern Brandenburg, has been struck by several fires in recent weeks. The affected area is located within an old military area with difficult-to-reach parts due to dumped ammunition. A monitoring of the event is necessary to support the firefighting operations.

The present map shows basic topographic features derived from public datasets, refined by means of visual interpretation of pre-event imagery.

Relevant date records			
Event	21/09/2018	Situation as of	NA
Activation	21/09/2018	Map production	21/09/2018
